Combined Federal Campaign (CFC)

The mission of the Combined Federal Campaign (CFC) is to promote and support philanthropy through a program that is employee focused, cost efficient, and effective in providing all Federal employees the opportunity to improve the quality of life for all. CFC is the world's largest and most successful annual workplace charity campaign, with campaigns throughout the country and internationally to help to raise millions of dollars each year.

When can I donate to CFC?

The CFC season runs from September 1 to December 15. During this time period, NASA employees will have several opportunities to participate in fundraising campaigns. Pledges made by donors during the campaign season support eligible non-profit organizations that provide health and human service benefits throughout the world.

How do I contribute to CFC?

Employees can elect to give by payroll deduction, by cash/check donation, or by both a payroll deduction and a cash/check donation. CFC contributions are made by NASA employees via Employee Express (EEX) at: www.employeeexpress.gov. The CFC module within EEX is user friendly and includes handy search capabilities.

- To access the CFC module in EEX, from the EEX **Main Menu**, under the **Payroll – Personnel Actions** heading, click the **Combined Federal Campaign** link.
- For instructions on accessing the CFC module in EEX, searching for and selecting desired charities, and selecting your donation amount, please visit the NSSC Employee Notices Web page at: https://www.nssc.nasa.gov/employeenotices. Click the **Combined Federal Campaign Donation Procedures** link.

Where can I find out what I have previously contributed?

Previous CFC donations and charities may be viewed in EEX, if the contributions were made in EEX. From the EEX **Main Menu**, under the **Miscellaneous** heading, click the **View Your History Personnel/Payroll actions** link, and view/hide the details under **Combined Federal Campaign** heading.

Where can I find out more?

Be alert for more information about your Center's CFC Campaign kickoff! To learn more about the CFC, please visit: http://www.opm.gov/cfc/.
