How do I access SATERN from my mobile device?

➤ Access SATERN from your mobile device

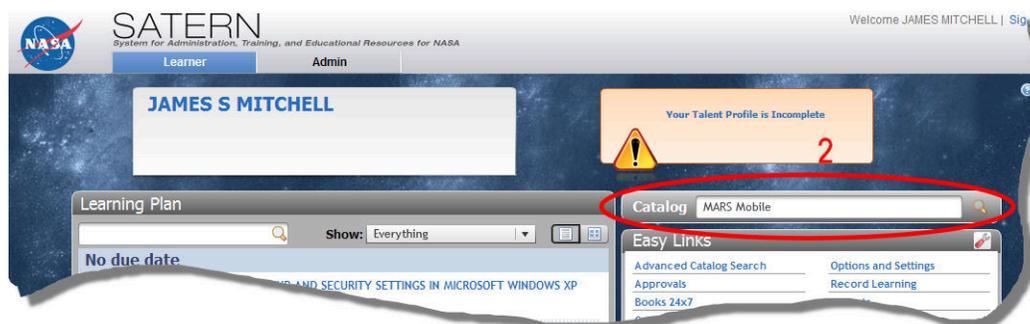

Access SATERN on your mobile device to view your learning plan and launch mobile-ready resources. Supervisors can also manage SATERN approvals.

Thousands of mobile-ready e-books, audio books, and videos are available through Books24x7. In addition, there is a growing collection of individual MARS resources that can be launched directly from within SATERN.

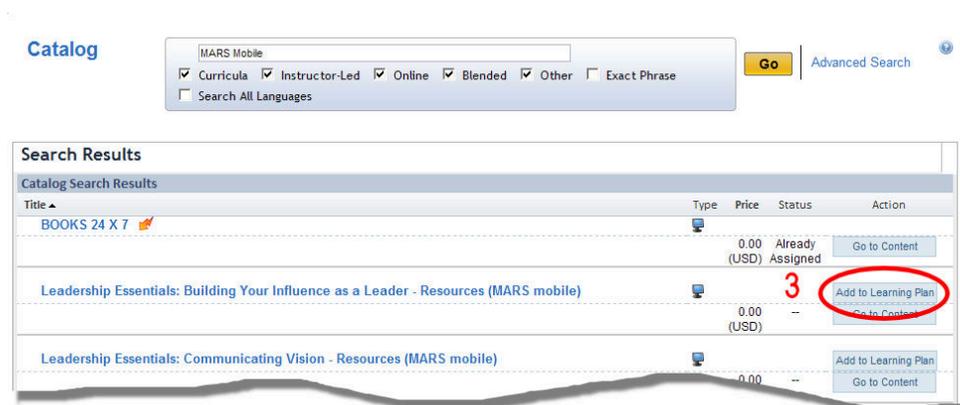

IMPORTANT: Before you can view any MARS Resources on your mobile device, you must add them to your Learning Plan in SATERN using your PC or Mac.

Adding MARS Resources to your Learning Plan

1. Log into SATERN at <https://satern.nasa.gov> on a PC or Mac.

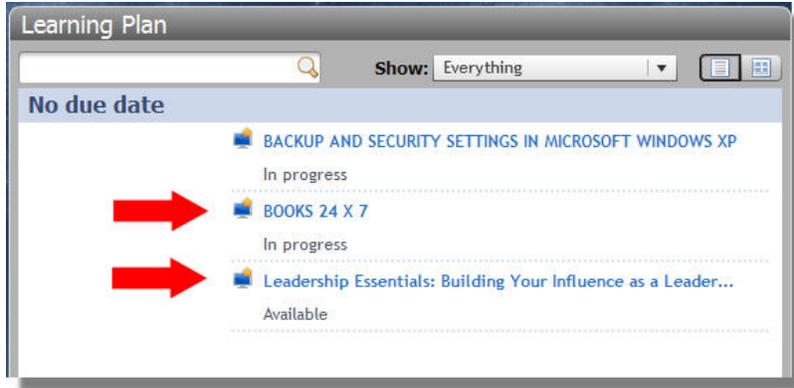

2. Search on “MARS mobile” in the Catalog field. The search results will display the MARS resources currently available for launch directly from within SATERN.

3. Add MARS resources by clicking the **Add to Learning Plan** button.
