DOCUMENT CANCELLATION

The document identified below is hereby cancelled.	Effective Date 05/17/2012
Document Number NSSC-PR-SDG-0004	Revision Cancelled
Document Title Consolidated Contracting Initiative (CCI) Service Delivery Guide	
Point of Contact Tracy Hall	

This document is superseded by: N/A

Comments:

PN 04-60

“This PN deletes the Consolidated Contracting Initiative (CCI) from the NFS. The intent of NASA’s CCI is to promote efficient contracting through the sharing of contract vehicles. Successful examples promoted under the initiative include the close-out contract and SEWP. OFPP now promotes the Federal Strategic Sourcing Initiative (FSSI) which has significant mission overlap with CCI. Consequently, effective March 31, 2011, the CCI application will be shutdown and removed from the NASA Acquisition Internet Service (NAIS) suite of tools. In addition to the changes to the NFS accomplished via this PN, references to CCI will also be removed from the Self Assessment Guide, Virtual Procurement Office (VPO), and Procurement Home Page.”

Cancellation requested by Tracy Hall and approved by Mike Sweigart on May 16, 2012. See e-mails below:
