

Federal Employees Health Benefits (FEHB) Program Open Season

The 2020 Federal Employees Health Benefits (FEHB) Program Open Season will take place Monday, November 9, 2020, through Monday, December 14, 2020. Most Open Season FEHB changes will become effective on January 3, 2021. During Open Season, any eligible employee may:

- Enroll in a FEHB Program.
- Change from one health plan to another.
- Cancel FEHB enrollment.
- Change enrollment plans.
- Change participation in premium conversion (waive or begin).

Note: FEHB coverage will automatically continue from year to year for current enrollees who do not wish to make any changes as long as their health plan continues to participate. **If you have received correspondence that your plan is no longer participating, you must choose and enroll in another plan during Open Season to be covered in 2021 or be enrolled in the GEHA Indemnity Benefit Plan - Elevate option (the lowest-cost nationwide plan option for 2021 as determined by the Office of Personnel Management(OPM)).**

What are the 2021 Changes?

Important changes for FEHB that take effect in 2021 include:

- OPM welcomes six new plan options to the FEHB in 2021. The number of options available to any given enrollee varies by geographic location and will include at a minimum 18 nationwide fee-for-service plans for the 2021 plan year that are open to all.
- Once a United States (U.S.) Food and Drug Administration (FDA)-approved vaccine becomes available for the Coronavirus Disease 2019 (COVID-19), all FEHB carriers must rapidly cover it without any cost-sharing in less than 15 business days.
- A number of plans are leaving the FEHB Program at the end of 2020. Coverage under an enrollee's new health plan will be effective the first day of the first pay period beginning on or after January 1, 2021; **for most employees this will be Sunday, January 3, 2021.** Enrollees will remain covered and receive the 2020 benefits of the old plan until coverage under the new plan becomes effective.
- Some plans in FEHB will be reducing service areas without terminating enrollment codes. Employees who do not choose a new health plan will only have emergency services where they live and will have to travel to their plan's remaining service area to receive full benefits.
- Some FEHB plans will terminate options and enrollment codes. Employees in the plan dropping an option may choose a new health plan during Open Season or remain with their current plan and be switched automatically into the plan's option listed in the attachment titled "Attachment 2 – FEHB Significant Plan Changes" under Table 2.

Important: If your 2020 health insurance carrier is leaving the FEHB Program, you must select a new plan during Open Season, or you will be assigned to the lowest-cost option determined by OPM. If your 2020 carrier is reducing its service area, you should select a new plan with services local to you, or you will be required to travel to your plan provider's service area for health services in 2021. If your plan is terminating options and enrollment codes, you may choose a new plan or be switched automatically to the plan's selected code. **Please see the attachments to this notice for details.**

What are the 2021 Premiums?

You may view the 2021 health insurance rates on the [OPM Healthcare 2021 Premiums](#) page. You may also locate this page by visiting the OPM Healthcare Insurance page at: <https://www.opm.gov/healthcare-insurance>. In the left navigation pane, click the Healthcare drop down menu, then click the **Plan Information link**, and select the Premiums link.

OPM announced premiums for the 2021 FEHB Program will rise an average 3.6 percent, which is lower than last year's increase.

Important: If you anticipate a Qualifying Life Event (QLE), such as a loss of health insurance that may create a gap in coverage, please contact the NASA Shared Services Center (NSSC) Customer Contact Center for counseling at 1-877-677-2123 (1-877-NSSC123) or nssc-contactcenter@nasa.gov. Our benefits counselors can help you when electing new coverage using Employee Express for QLEs.

How Do I Enroll or Make an Enrollment Change?

Employees wishing to enroll or change their enrollment during Open Season must do so through Employee Express online at: <https://www.employeeexpress.gov/>. If you are making a change to your FEHB during Open Season and are scheduled to retire before January 3, 2021, you must submit a Standard Form (SF) 2809, Health Benefits Election Form – FEHB directly to the NSSC for processing **no later than December 14, 2021**.

Note: The NSSC does not accept Standard Form (SF) 2809, Health Benefits Election Form – FEHB, for Open Season changes for employees who anticipate remaining on the rolls beyond January 3, 2021. These changes must be made through Employee Express. As changes are made in Employee Express, a record of the change will automatically be sent to your electronic Official Personnel Folder (eOPF). You will have the opportunity to print a receipt or receive one via e-mail.

Can I Make FEHB Changes Outside of Open Season?

For additional information, you may refer to the [OPM Changes You Can Make Outside of Open Season](#) page. You may also locate this page by visiting the OPM Healthcare Insurance page at: <https://www.opm.gov/healthcare-insurance>. Click the **Healthcare** drop-down menu, then click the **Enrollment** link. Under the **Instructions for Making an Open Season Enrollment Change** heading, please click the **What Changes You Can Make Outside of Open Season** link.

What is Employee Express?

Employee Express is an automated system that puts you in control of processing your own health benefits along with other discretionary personnel and payroll actions. Use of Employee Express is mandatory to make FEHB changes during the Federal Benefits Open Season, unless you are retiring prior to January 3, 2021. If you have lost or forgotten your Employee Express password, you may obtain a new one by clicking on the **Forgot Login ID or Forgot Password** link on the Employee Express home page at: <https://www.employeeexpress.gov/>.

What is Premium Conversion?

Premium conversion uses Federal tax rules to let employees deduct their share of health insurance premiums from their taxable income, thereby reducing their taxes. All employees are automatically enrolled in premium conversion. If you waive premium conversion, the amount of taxes you pay will increase, as you will no longer benefit from pretax dollars. Employees wishing to waive premium conversion during Open Season must do so through Employee Express at: <https://www.employeeexpress.gov/>. To access the premium conversion module in Employee Express, from the **Home** screen, under the **Payroll / Personnel** heading, click the **Federal Employees Health Benefits** link. Then, click the **Federal Employees Health Benefits (FEHB) Premium Conversion** header. Instructions will auto-populate within the open box below.

Need Help Choosing an Insurance Plan?

While the Benefits Counselors at the NSSC are not permitted to make recommendations as to the best plan for you, there are two tools available to assist you in making an informed decision when selecting benefit options for you and your family during Open Season. Links to the tools are found in [Employee Express](#) at: <https://www.employeeexpress.gov/>.

- OPM Health & Insurance Compare Plans tool
- You may access this tool through Employee Express by clicking on Related Links in the line of links at the bottom of the home screen, then clicking the OPM FEHB Plan Comparison Tool link. You can also find the tool at: <https://www.opm.gov/healthcare-insurance/healthcare/plan-information/compare-plans/>.
- Consumers' Checkbook tool
- NASA employees must access this tool through [Employee Express](#). Click the **Related Links** link at the bottom of the screen, then click the **FEHB Plan Comparison Website – Checkbook** link. After you access the link through Employee Express and select NASA as your agency, you are automatically authenticated into the tool. To ensure free access to the tool, you should not use any other public links.
