NASA Awards Blanket Purchase Agreement for SAP Software and Maintenance Support Services

NASA has selected IT Federal Sales of Windham, N.H., to provide SAP software and maintenance support services to all NASA centers and associated facilities with a Blanket Purchase Agreement (BPA) estimated at \$23.1 million.

The firm-fixed price BPA has a performance period of three years, including a one year base period with two-year option periods. The BPA is available for use by all NASA centers and associated facilities through Mar. 31, 2018.

The SAP agreement is administered by the NASA Shared Services Center (NSSC) at Stennis Space Center in Miss. The NSSC performs selected business activities for all NASA centers.
