NASA Awards Agencywide Contract for Software Maintenance

NASA has awarded Affigent, LLC of Herndon, Va., a firm-fixed price Delivery Order for NASA's Oracle Database Management Software license maintenance.

The Delivery Order has a period of performance consisting of a one-year base period with two, one-year option periods through Oct. 14, 2017. The total Not-to-Exceed (NTE) value of the Delivery Order is estimated at \$15 million.

The contract is administered by the NASA Shared Services Center (NSSC) Enterprise License Management Team (ELMT) located at Stennis Space Center. The NSSC performs selected business activities for all NASA centers.
