NASA Contract # NNX15ME17D

Contracting Officer: Nathan Carver, 228.813.6412, nathan.carver-1@nasa.gov
Contracting Officer’s Representative (COR): Darryl Smith, 228.813.6388 darryl.a.smith@nasa.gov

Vendor POC: Chris Castle, 540.535.5522, chris.castle@affigent.com

How to Order: This contract exclusively supports the HEO Mission Directorate; however, dormant, currently un-supported, perpetual licenses are eligible for reinstatement and transfer.

For software procurements at or below $150,000 for ELMT enterprise agreement purchases, the Simplified Acquisition Threshold (SAT) team at the NSSC will process these requests. To initiate the request you can proceed either directly to SAT through their portal or you can send the PR directly to the ELMT.

To proceed via SAT: click the ESD link https://esd.nasa.gov/esd/, then go to Order Services and then go to NSSC Simplified Acquisition Customer Portal (Green SAT Button) to initiate the purchase. When creating a ticket please include the ELMT agreement number in the “Give a brief description” field.
All purchases for software over $150,000, for ELMT enterprise agreement purchases, ELMT will process these requests.
