

Thrift Savings Plan (TSP) Overview

This notice provides important information regarding the Thrift Savings Plan (TSP) including: determining eligibility for catch-up contributions, automatic enrollment and contributions, accessing and making changes to your account in Employee Express, and designation of beneficiary.

TSP Overview

- TSP is a retirement savings and investment plan for Federal employees covered by either the Federal Employees Retirement System (FERS) or the Civil Service Retirement System (CSRS).
- The purpose of TSP is to provide retirement income, but please note that the income that you receive from your TSP account will depend on how much you (and your agency, if you are a FERS employee) have contributed to your account and on how your chosen investment funds perform.
- TSP offers Federal employees the same type of savings and tax benefits that many private corporations offer their employees under 401(k) plans.
- Numerous investment options are available to TSP participants. However, the “default” distribution is to the Government Securities Investment (G) Fund. For additional details regarding fund options and investments, historical rates, and current rates of returns on the various funds, you may access the TSP Web site at: <http://www.tsp.gov>.
- **The limit on the combined total of traditional and Roth TSP contributions for 2015 is \$18,000.** Authorized biweekly contribution amounts or percentages will automatically carry over from 2014 to 2015 unless changed or canceled by the employee.

Catch-up Contributions

If you are at least age 50 (or will become age 50 during the calendar year) and if you have made or will make the maximum amount of employee contributions for the calendar year, you may also make catch-up contributions to your TSP account. The limit on catch-up contributions for 2015 is changed to \$6,000. Eligible employees must submit a new election for each year they wish to participate in catch-up contributions. If you wish to make equal catch-up contributions in each of the 26 pay periods in 2015, you should log in to Employee Express during December 1-14, 2014 and elect the contribution amount so that it becomes effective on the first pay period of the 2015 tax year.

Note: Elections made before December 1, 2014 will be effective only during the current 2014 tax year and will not continue into the 2015 tax year.

Important Information for FERS Employees

New FERS employees are automatically enrolled in TSP. Three percent of your basic pay is automatically deducted from your paycheck each pay period and deposited in your TSP account unless you make an election to change or stop contributions. If you do not take any action, your

contributions are automatically invested in the G Fund. Employees under FERS will receive an automatic 1 percent agency contribution and matching contributions of up to an additional 4 percent. If you choose to stop your regular employee contributions, your automatic 1 percent contribution will still continue while you are in a pay status. If you are receiving agency matching contributions, they will end when your contributions end. Spreading contributions out over every pay period is important to ensure that you will not miss out on matching dollars.

Contribution Changes

Employees may start contributions, change contribution amounts, or stop contributions at any time by using Employee Express at: <http://www.employeeexpress.gov>. If you have lost or forgotten your Employee Express password, you may obtain a new one by clicking the **Forgot Login ID or Password?** link on the Employee Express home page.

Designation of Beneficiary

Form TSP-3, Designation of Beneficiary, found at: <https://www.tsp.gov/forms/formsPubs.shtml>, is used to designate a beneficiary or beneficiaries to receive your TSP account in the event of your death. The form will stay in effect until you submit another valid form or cancel it. You may complete the form in accordance with the instructions and send it directly to TSP by mailing to the TSP address listed on the form. Form TSP-3 should not be mailed to the NASA Shared Services Center (NSSC).

Additional Information

For additional or more detailed information on any of the TSP options, performance, fund options, designation of beneficiary, etc., please visit the TSP Web site at: <http://www.tsp.gov>, and log in using the Personal Identification Number (PIN) provided by TSP.
