How do I view tutorials on the use of Rosetta Stone?

Viewing Tutorials in Rosetta Stone

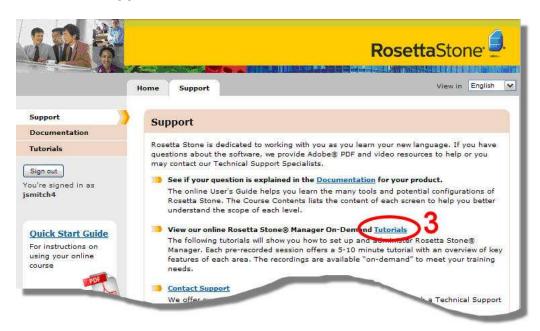

Rosetta Stone comes complete with a library of tutorials to assist administrators on how to use the application. You can view videos of these tutorials, or practice using Rosetta Stone with Point and Click simulations.

Here's what to do.

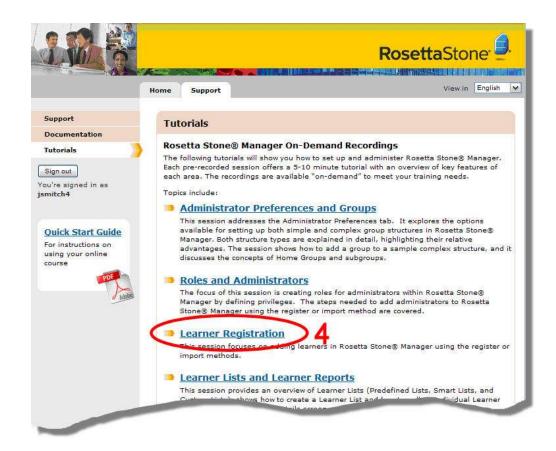

1. Log in to Rosetta Stone at http://nasa.rosettastoneenterprise.com/en-US.

		RosettaStone 9.

5. To play the video tutorial, click the link for the video name. In this example we've chosen Learner Registration.

6. The video player will launch in a separate window. Click the play button by to view the video.

Note: Alternatively you can practice by using a Point and Click simulation.

7. From the Knowledge Base screen, click on the Point & Click link.

- 8. The simulation will open in a new window. Click the **Start** button to begin.
- 9. Follow the onscreen prompts to complete the practice simulation.
