How do I view tutorials on the use of Rosetta Stone?

➢ Viewing Tutorials in Rosetta Stone

Rosetta Stone comes complete with a library of tutorials to assist learners on how to use the application. You can view videos of these tutorials by following these instructions.
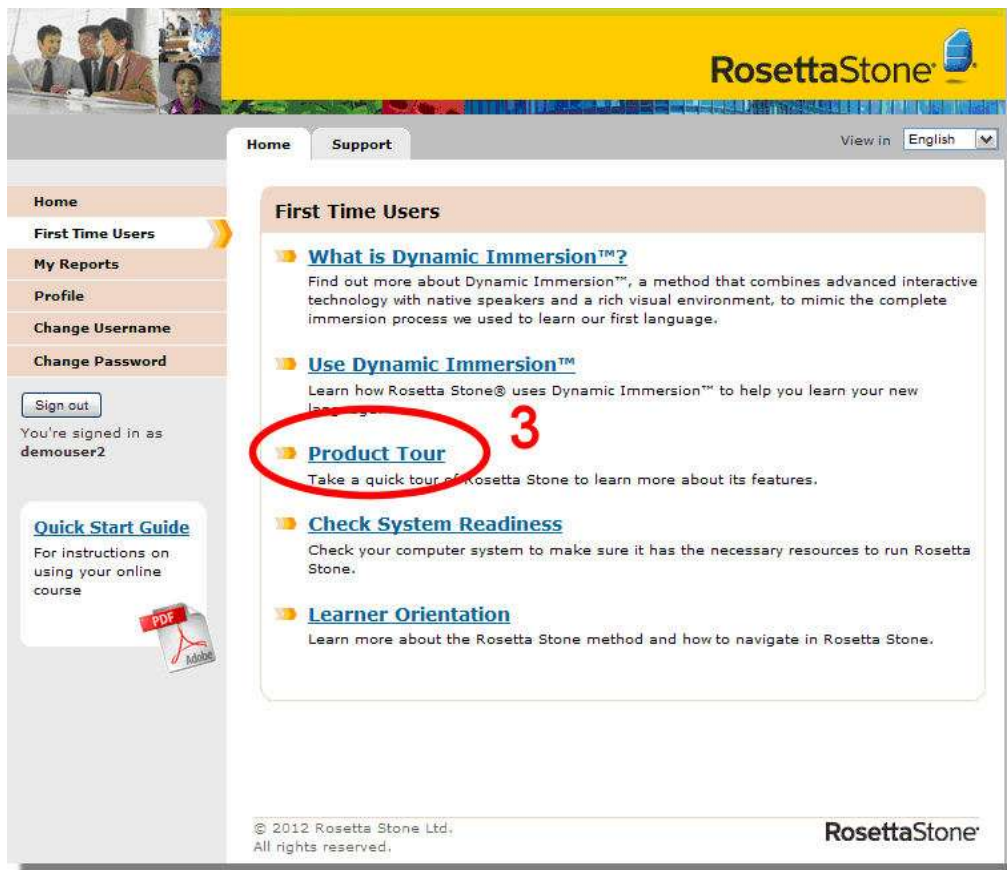

Here's what to do.

1. Log in to Rosetta Stone at *http://nasa.rosettastoneenterprise.com/en-US.*

2. Click on the **First Time Users** link.

You are presented with a list of First Time User resources. Except for "**Check System Readiness**" all of these resources are video tutorials. You are encouraged to watch all the videos; however, it may be appropriate to start with the "**Product Tour**" video.

3. To view the video, click on the **Product Tour** link.

A separate screen will launch and the video will begin to play.
