

How do I log into Books24x7 from my mobile device?

➤ Logging into Books24x7 from your mobile device

You can access Books24x7 from your mobile device by launching it from your Learning Plan in SATERN, or with your Books24x7 username and password you can access it directly by opening your device's browser to <http://books24x7.com>.

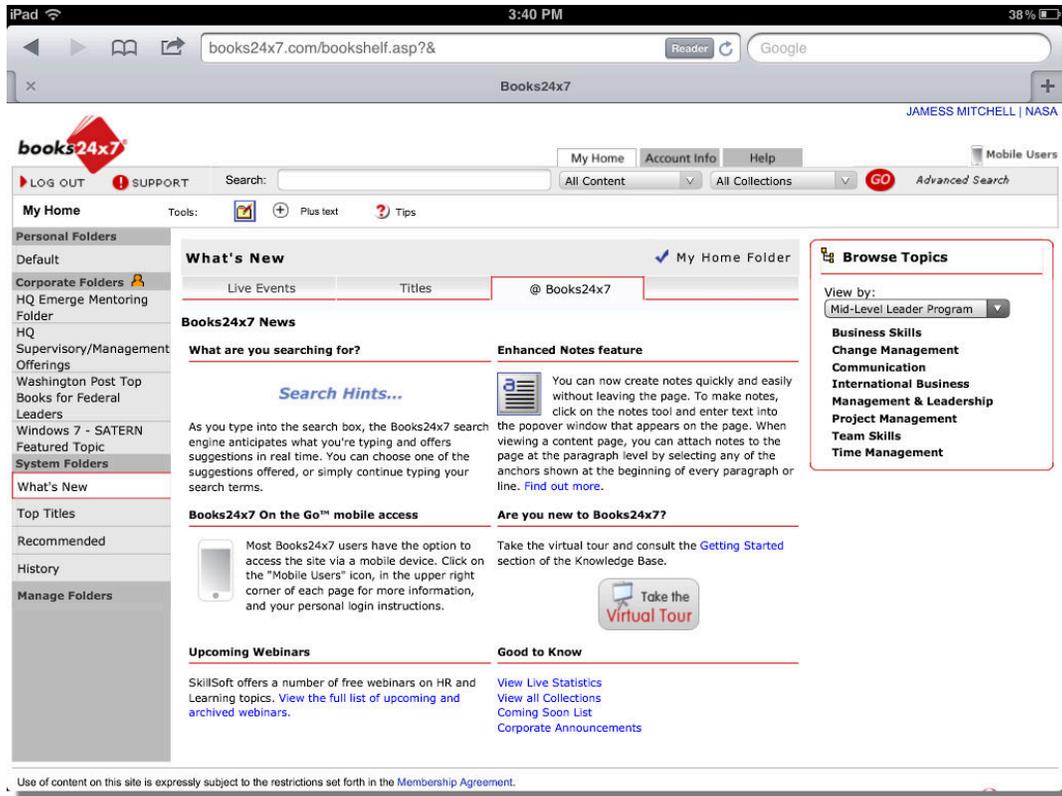

Here's how to log into Books24x7 from your tablet

1. Open your tablet's browser and go to <http://books24x7.com>. (Note: If you are already logged into SATERN on your tablet, tap "BOOKS 24 X 7" on your Learning Plan. Then tap **Go to Content** to go directly to the Books24x7 site. You are not required to enter your Books24x7 username and password when accessing it through SATERN).

2. Enter your user name and password. If you do not know your Books24x7 username or password, see the job aid "**How do I find my Books24x7 username and password?**"
3. Tap the **Log In** button.

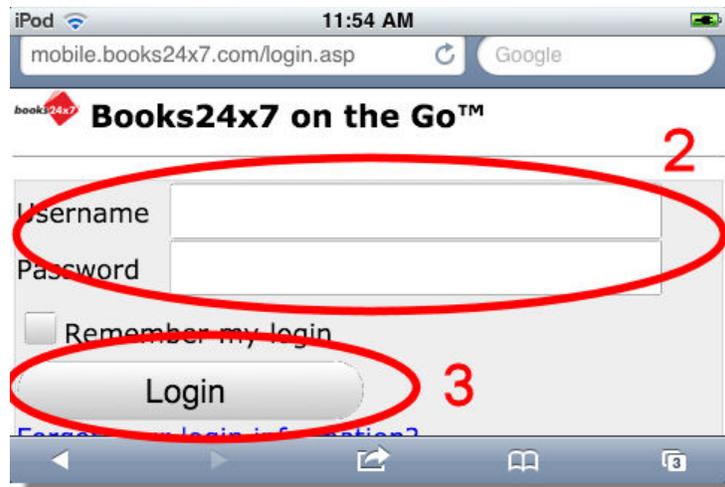

Log into SATERN at <https://satern.nasa.gov>

You are taken to the standard site and can complete transactions as you would from your PC or Mac.

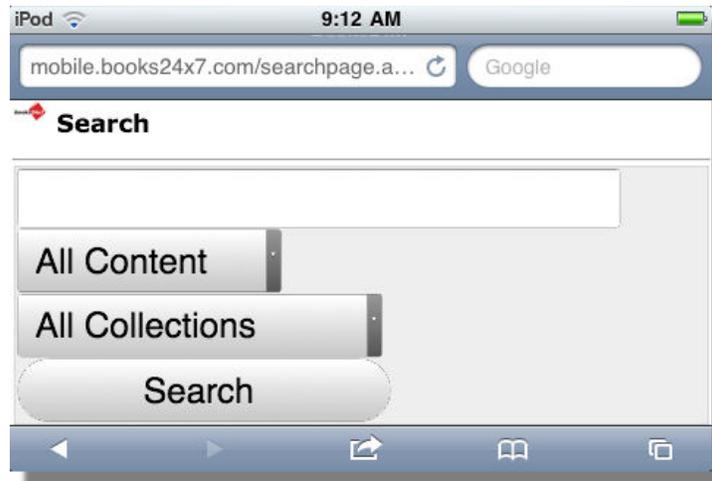

Here's how to log into Books24x7 from your smartphone

1. Open your smartphone's browser and go to <http://mobile.books24x7.com>. (Note: If you are already logged into SATERN on your tablet, tap "BOOKS 24 X 7" on your Learning Plan. Then tap **Go to Content** to go directly to the Books24x7 site. You are not required to enter your Books24x7 username and password when accessing it through SATERN).

Log into SATERN at <https://saturn.nasa.gov>

2. Enter your username and password. If you do not know your Books24x7 username or password, see the job aid “**How do I find my Books24x7 username and password?**”
3. Tap the **Login** button.

You are taken to the mobile search screen where you can search for content.
